- Adapt leadership styles as the team develops.

## Learning Methods

- Individual and team reflection and analysis based on TeamCheck assessment.
- Rich large and small group discussions. (Structured and unstructured).
- Highly interactive exercises.
- Videos to support and enhance workshop concepts.
- Materials for during and post workshop guidance and support.

## Who Should Attend

Managers, Team leaders, team members, and anyone interested in improving their teamwork skills.

## Workshop Description

Creating High-Performing Teams is a 2-day workshop designed to equip leaders with the knowledge, tools and techniques to take their teams to a higher level of performance.

Prior to the workshop, each participant has the opportunity to take the TeamCheck assessment and include responses from their team members. During the workshop, each participant receives their own private report based on their TeamCheck.

Designed for those serious about improving the performance of their team, workshop participants learn how they can help their team get on a higher-performance path.

To gain the most out of this workshop, attend with your team members! (See pricing discount below).

## Venue Description

Arthur Maxwell public workshops are held in our Experience Center located in Golden Valley, MN. To learn more about the Experience Center visit [www.arthur-maxwell.com/experiencecenter](http://www.arthur-maxwell.com/experiencecenter)
