

LPI® Assessment package

Providing insights into your most valuable asset

How You Will Benefit

- Gain insights into your most important asset—You!
- Receive real feedback on how others perceive you as a leader. (Based on feedback from observers that you select).
- Identify your leadership strengths and areas for improvement.
- Ask questions of an experienced coach to ensure you're prepared to begin using your LPI® results in a productive way.

Learning Methods

- Assessment Results.
- Individual pre-work exercise prior to debrief session using supplied materials.
- Self reflection in combination with LPI® results and coaching during debrief session are used to help participants make the most of their LPI® Report.
- Reflection after the debrief session supported by LPI® Report and Development Planner.

Who Should Register

- Executives, managers, project or team leaders, and anyone interested in improving their leadership skills.

Assessment Package Description

The Leadership Practices Inventory (LPI®) Assessment Package is designed to give you easy on-line access to the LPI® survey and your results, and supporting materials to ensure you understand and can make use of them.

After you register on-line you will receive a link and instructions for taking the LPI® —and a Leadership Coach will be assigned to you.

Your Leadership Coach will send you additional materials for use in understanding your results, and will schedule a debrief session according to your availability.

What makes this package so valuable are the materials and one-on-one debrief session which are imperative to truly understanding your LPI® results and putting them to use for YOU.

Materials Included

- Access to take the LPI® on-line.
- LPI® Report—a comprehensive report that details you and your observer's responses.
- LPI Development Planner.
