Learning Methods

- Individual reflection and analysis based on your Leadership Practices Inventory (360 degree feedback).
- Rich large and small group discussions. (Structured and unstructured).
- Highly interactive exercises.
- Videos to support and enhance workshop concepts.
- Extensive materials for during and post workshop guidance and support.

Who Should Attend

Executives, managers, project or team leaders, and anyone interested in improving their leadership skills.

Workshop Description

The Leadership Challenge® is an intense 2-day workshop designed to equip leaders with knowledge and tools to take their leadership to the next level.

Designed for those serious about developing as a leader, the curriculum is based on sound research collected over the past 25 years. Aspiring, proven, and even struggling leaders learn how to:

- Model the Way
- Inspire a Shared Vision
- Challenge the Process
- Enable Others to Act
- Encourage the Heart
